

Impact & Action 2023

In 2023, FASD United supported **63% more** families than the year prior with our one-of-a-kind [Family Navigator Team](#).

The FASD Respect Act passed the [Senate HELP Committee](#) (Health Education Labor and Pensions) for the first time in 20 years!

Secured funding to bring back the iconic international [FASD Research Conferences](#) and moved them from Vancouver, Canada to Seattle.

Our [Affiliate Network](#) has remained in operation for over 30 years and has **41 total member organizations**.

We achieved the [Platinum Seal of Transparency](#) through GuideStar by Candid, showcasing our **credibility** as a national organization.

Impact Week 2023

We celebrated **50 years of FASD** awareness by providing a [congressional briefing](#), where we took 109 advocates to the hill meeting with 60 legislative office took 109 advocates to the hill meeting with 60 legislative offices.

"Thank you so much!! I feel a little more hopeful even just talking with you and having a some new direction and "lifelines.""

Connecting Research, Policy, and Practice

Research

People with FASD

Work is centered on the lived experience.

Families and Caregivers

Families and Caregivers are included in the process

Communities

Communities are informed to create equity

Policy

Practice

FASD United leverages over three decades of nationwide expertise and collaborative relationships within the public, tribal, and private sectors to facilitate the integration of research, policies, practices, and real-life experiences.

This comprehensive approach addresses the extraordinary complexities of FASD and supports the creation of FASD-informed communities.

Your support in 2023 and beyond makes this critical work happen.
