A message from CEO & President, Tom Donaldson

At FASD United, we believe everyone deserves a **seat at the table**—a place where their voices are heard, their needs are met, and their potential is recognized. For individuals and families affected by Fetal Alcohol Spectrum Disorders (FASD), that seat is often out of reach. Together, we can change that.

FASD affects up to 1 in 20 children in the United States, yet it remains one of the most underdiagnosed and misunderstood developmental disabilities. As the leading voice for FASD advocacy, education, and support, our mission is to bring visibility and solutions to this issue, ensuring that no one impacted by FASD feels overlooked or excluded.

We are inviting you to join us as a sponsor or partner to help us expand access to resources, amplify awareness, and drive systemic change. By supporting our work, you are not only creating opportunities for individuals and families to thrive but also ensuring that everyone impacted by FASD truly has a seat at the table.

Your partnership can make a meaningful and lasting difference. Thank you for considering this opportunity to transform lives and champion inclusion.

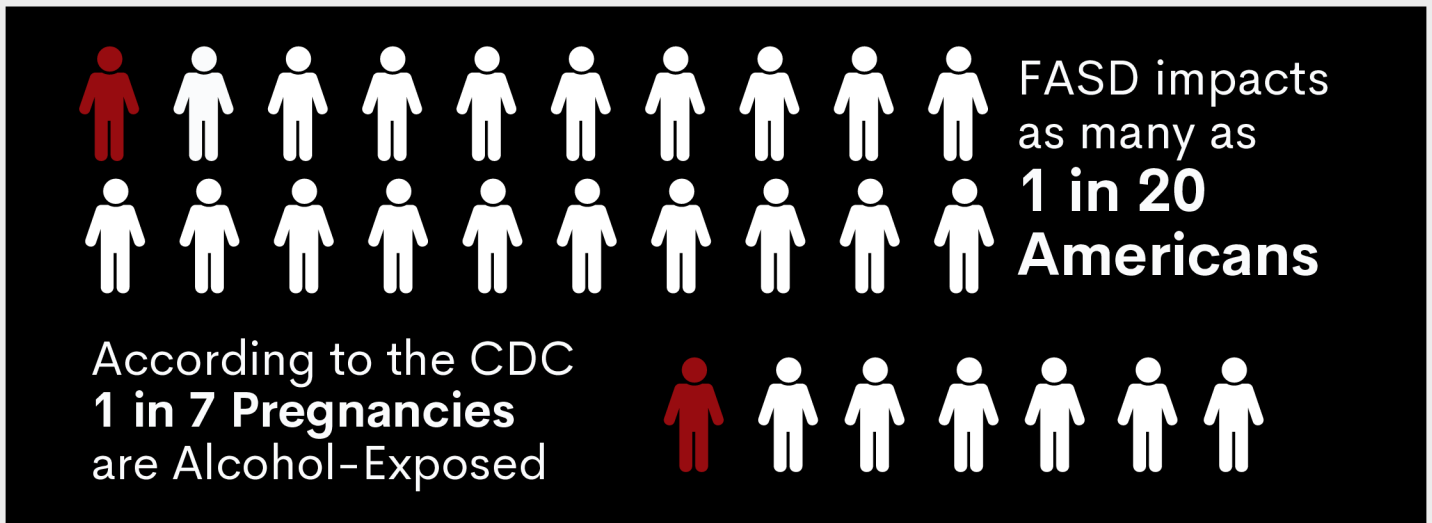

With Gratitude,

A handwritten signature in black ink that reads "Tom Donaldson". The signature is stylized and cursive.

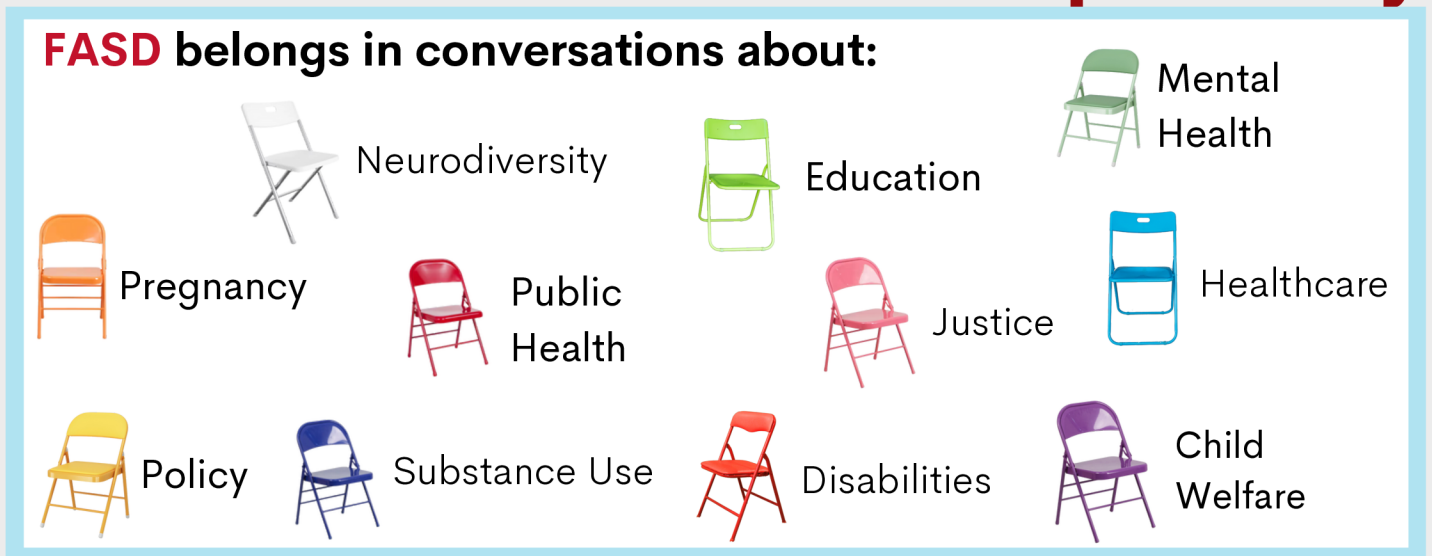

Tom Donaldson,
FASD United President/CEO

SPONSOR THE IMPACT YOU WANT TO HAVE

It's important to know where your money is going. General donations allow us to be flexible and strategic, but sponsors allow us to recognize our partners & donors, connect them to initiatives *they* care about, and build on the momentum of their passion for FASD advocacy and support.

Stars for Starla is our mechanism for funding support, engagement, and empowerment of people with living experience- in *everything* we do. This includes:

- creating opportunity to compensate self advocates for speaking, performance/art, or consult on FASD United and Affiliate projects.
- lowering costs & removing barriers for people with living experience to participate in their community.

Move FASD

2025 Join the movement.

Move FASD is our invitation to local communities to '**join the movement**' of bringing awareness to FASD during September -- FASD Awareness Month. Individuals, organizations, and communities gather to walk, relay race, dance, do yoga -- and MORE -- all to bring awareness to FASD.

We supply awareness and marketing materials, you supply the community!

Give us an idea, we'll create the content!
