10th International Conference on

Adolescents and Adults with Fetal Alcohol Spectrum Disorders

Integrating Research, Practice, and Policy Around the World

April 18 - 21, 2026

The Hyatt Regency, Seattle, WA

Do you want to help shape a world where individuals with FASD can thrive? If so . . .

JOIN FASD UNITED'S GLOBAL EFFORT TURNING RESEARCH INTO REAL-WORLD CHANGE

Research on fetal alcohol spectrum disorders (FASD) continues to grow; yet, the specific needs of adolescents and adults often remain underrepresented.

By sharing your work at this conference, you'll be part of the global audience of people with FASD and their families, as well as researchers, professionals, and policy makers who seek to improve the health and lives of adolescents and adults with FASD.

Presenters will have the opportunity to connect their work to the real world. Through interactive sessions, we'll explore questions such as:

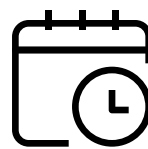

- How can research more directly inform everyday practice and policy?
- Can findings be shared across countries or from the lab and clinic to impact everyday life?
- What clinical priorities demand immediate attention?
- What changes in thinking and practice will reduce stigma and improve outcomes?

BRIDGE THE GAP BETWEEN RESEARCH AND REAL LIFE BY PRESENTING AT FASD 2026. ALL PRESENTERS WILL RECEIVE REDUCED REGISTRATION RATES.

PRESENTATION TYPES

- ✓ 3 or 6-hour pre-conference sessions
- ✓ Plenary sessions
- ✓ 60 or 90-minute breakout sessions
- ✓ 15-minute oral papers
- ✓ 5-minute lightning talks
- ✓ Poster presentations
